

Partnership with Families: Introduction to Read Write Inc.

Teach a child to read and keep that child reading and we will change everything.

And I mean everything.

Jeanette Winterson

Reading aloud is transformational

Being read *to* is the most powerful predictor of a child's future reading comprehension.

What can I do?

1. Use pure sounds rather than letter names.
2. Use Fred Talk to help your child to read and spell words.
3. Listen to your child read their Storybook every day.
4. Watch the Virtual Classroom films together.
5. Read stories to your child every day.

Reading feeds the imagination. It expands horizons and offers new and exciting ways of seeing and making sense of our lives and of the world around us.
