*Be the best that you can be, Jesus loves you always*

Dear families,

The spring term for children is over and what a term it has been! We started the term in January with the announcement from the Government that schools would only open for key worker and vulnerable children. Luckily, we finish the term with all the children back in school. As we have all continued to say, we are so impressed with how well the children managed with remote learning and how well they have all returned to school. It is so joyous to have all the children in school eagerly learning.

In the short three weeks that all children have been back, we have managed to have as much fun as possible. All the children have celebrated World Book Day, Science Week and yesterday, we celebrated Holy Week in a day.

The children will all leave school today with an Easter egg - a massive thank you to our Friends of the School who have funded this. Friends of the School have also donated 1st, 2nd and 3rd place prizes for the Virtual Egg Competition that we ran on Google Classroom. The winners will be announced in our Praise Assembly this afternoon.

Today we leave school for the Easter holidays and will all return to school on Monday 12th April 2021.

As always, if you have concerns or questions, please ring the school on 01482 825625, we are always more than happy to help.

God Bless and have a lovely Easter,

Mrs C Coldham

### New Lunch menu

The new lunch menu will start when we return to school on Monday 12th April 2021. It can be viewed on our school website, please have a look and discuss the new options with your child.

### Values

**Summer term will see the launch of our values. The staff and children chose the 7 values that they would like. They chose:**

**Ready**

**Respectful**

**Safe**

**Resilient**

**Confident**

**Independent**

**Pride**

**Every week, we will have a value of the week that will be launched with an assembly and followed up in class. The Class Dojo point system will also be linked to our values.**
