

# St Mary Queen of Martyrs Newsletter

Tuesday 2nd March 2021

*Be the best that you can be, Jesus loves you always*

Dear families,

We are all very excited about the children returning to school on Monday 8th March 2021. To help celebrate this day, we have moved our World Book Day celebration from Thursday 4th March 2021 to Monday 8th March 2021. This will help make the day that children return to school even more exciting than usual!

The remainder of the week will be spent settling steadily back into routines and celebrating Science Week with the children, again, being allowed to dress up on Friday 12th March 2021 as scientists (if they wish).

We will write to you soon to inform you of all of the procedures that we are taking to help keep our families and staff as safe as possible whilst working in a pandemic as well as outline key timings and routines.

Finally, we would once again like to thank you for all of the support and encouragement you have given to staff whilst we have been working remotely. It has not been without technical issues at times however our children, families and staff have all risen to the challenge and so much of the work produced has been absolutely fantastic. If you have borrowed a device from school to help with working remotely can you please ensure that this is returned to school on Monday 8th March 2021.

As always, if you have concerns or questions, please ring the school on 01482 825625. We are always more than happy to help.

God bless,

Mrs C Coldham

It is with great sadness that we inform you that Mrs Nigg recently passed away. She taught at St Mary Queen of Martyrs for many years and over her teaching career she will have impacted the lives of so many children, myself included.

We send our thoughts and prayers to her family during this difficult time.

## Retiring

After a lengthy and dedicated time at St Mary Queen of Martyrs, Mrs Whincup has decided that the time has arrived for her to retire. We wish her all the luck for her future endeavours and I am certain that she will still visit us all often.

Good luck & God bless, Mrs Whincup.

## Keeping in touch

It is really important to us to keep in touch with families if children are not in school. We are checking that everything is going well with home learning and if there is anything we can do to support you.

However, please don't wait for a phone call if you have any questions or worries. Contact us as soon as possible so that we can work out how best to help.
